The FED staff and Working Group are seeking to develop a template for learning for discipleship and leadership that will assist synods, presbyteries and congregations to plan learning experiences and identify helpful resources.

Period of Discernment

Oversight of the Period of Discernment now falls within the mandate of the FED Working Group,

National Leadership Learning Exchange

The FED unit is also working with synod staff to explore the development of an online platform which would assist people in synod and presbytery leadership roles to collaborate and share resources in areas of mutual interest.

NextGens

In 2015 the FED staff will seek to connect with networks of second and third generation CALD communities and those who resource them.

What is FED?

In March 2013, the Assembly Standing Committee received the Christian Education Research Report and adopted the following resolution:

To name the teaching ministry as a core function of each council of the church and to affirm that the Assembly has a role in Christian Education.

The ASC established the Formation, Education and Discipleship Working Group in July 2013,

Rev Dr Ian Price (Chairperson), Ms Susan Burt (SA), Mr Rohan Pryor (VIC/TAS), Rev Lindsay Cullen (NSW/ACT), Rev Sue Ellis (SA), Mr Drew Hanna (VIC/TAS), Rev Duncan MacLeod (NSW/ACT), Rev Dr Adam McIntosh (VIC/TAS), Mr Rick Morrell (WA), Rev Swee-Ann Koh (VIC/TAS), Dr Deidre Palmer (SA), Ms Elaine Rae (QLD), Rev Fie Marino (VIC/TAS), Mr Neil Thorpe (QLD), Rev Robin Yang (VIC/TAS), Rev Tom Kerr (staff), Mr Craig Mitchell (staff), Rev Glenda Blakefield (staff)

The FED Vision

The Assembly Standing Committee sees the role of the Assembly in providing a cohesive national vision:

- ✿ Congregations as lifelong learning communities of discipleship for the sake of the mission of God;
- ✿ Church leaders as effective educational leaders, capable of guiding a community in forming disciples;
- ✿ Congregations developing a culture of learning for and from engagement in mission: mission-shaping discipleship.

According to this vision, the Assembly has a role in promoting Christian education as a distinctive ministry yet also integral to worship, teaching, doctrine, formation, community life and mission.

Vision

- ✿ Formation and education are vital for growing disciples in Christian community;
- ✿ Christian identity is formed within the theology and ethos of the Uniting Church;
- ✿ Formation and education shape Christian identity within our globalised, pluralistic, multi-faith world;
- ✿ We learn in community in ways that reflect who we are as an Australian Uniting Church.

ASC, March 2013

FED Staff

Craig Mitchell,
National Director
Formation,
Education &
Discipleship

Craig has spent 2014 laying foundations for FED's work - collaboration with synod and presbytery mission and education workers; engaging with national networks (in worship, mission & evangelism, lay education, ministerial education, UCA schools, Assembly staff); offering training and resourcing; planning new discipleship resources; developing communication networks; and finding and sharing resources for growing disciples in faith communities.

Tom Kerr,
National Faith
Development
Consultant,
Youth & Young
Adults

Tom has had a busy year following Yurora - NCYC 2014 in Sydney in January, a fantastic multicultural event. We hosted a consultation on national youth events and formed a team of young adults and adults to provide direction for these in the future. The recent National Young Adults Leaders' Conference (NYALC) in December 2014 and About FACE in January 2015 have been significant areas of work. Tom is also working on ways in which youth and children's workers access national professional development events.

Events

Rev Tom Kerr and the FED Events team provide direction, organisation and support for national youth and young adults events.

YURORA: NCYC 2014

NCYC 2014 was attended by about 1000 people and was significant due to the participation of indigenous people and CALD young people. The new festival-style program was a great success. Thanks to Parramatta-Nepean Presbytery for taking the risk - such a great gift to the church. Planning is underway for NCYC 2017.

NYALC

National Young Adults Leaders Conference

In December, 45 young adults gathered from diverse cultures - South Sudanese, Indonesian, Korean, Filipino, Anglo and 10 indigenous communities. Resourced by an excellent team of leaders including the President and President-elect, Congress leaders and others, they learned, laughed, prayed, shared and were stretched and affirmed. A life-changing week.

About FACE

30 years after the first national About FACE project, the faith and culture exchange continues with intergenerational groups visiting indigenous communities in January 2015. They will then spend time at the UAICC national gathering in Tasmania. We value the partnership with the VicTas Synod and the Congress in hosting this program.
